Dear Parent/Carer

As you will be aware, one of our co-headteachers, Mrs Pilkington, left Sheepscombe Primary School at the end of August following her bereavement shortly after Christmas. Since January Mrs Barron has served the school as its Acting Head Teacher having entered into a co-headship with Mrs Pilkington just a year ago in September 2017.

Mrs Barron has already worked exceptionally hard in her first experience as a headteacher and the school has flourished under her leadership.

The governors are therefore delighted to tell you that we have offered Mrs Barron the permanent full-time headship following a meeting of the Full Governing Body on October 2nd. The very good news is that Mrs Barron has accepted the offer and is no longer 'Acting'; she is our fully-fledged Head Teacher.

We have a challenging year ahead since we anticipate a two-day inspection by Ofsted any time from now onwards but we are confident that our wonderful school is in very good hands.

Yours sincerely
