

## **Sheepscombe School Sports Report 2017-18**

This report explains the Government's approach to the sports premium for schools. It sets out how and when the money was spent at Sheepscombe Primary School in 2017/18 and notes the impact of increased activity on positive attitudes to sport and active lifestyles. The performance of year 6 children in swimming (a statutory requirement) is noted and proposals for 2018/19 are introduced.

### **Sports Premium Funding DfE Vision Statement**

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

#### **5 Key Indicators**

- The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

#### **Funding for Primary School PE and Sports**

The current Government has allocated an additional £150 million state funding to all state sector primary teaching establishments for the academic years of 2013 - 2016. It has now been confirmed that the funding will be doubled and continue for the academic year 2017-2018 and 2018-19

The fundamental aim of this grant aid is to further improve the provision and quality of Physical Education (PE) and Sport provided by all primary schools nationally. The funding is provided jointly by the Departments of Education, Health; Culture Media & Sport and is to be ring fenced thus ensuring that schools spend their grant only upon PE & Sport as well as initiatives that address developing healthy lifestyles in either curricular or extra-curricular settings.

#### **Purpose of funding**

It is a mandatory requirement, as authorised by Department of Education (DfE), that all state schools dedicate this funding upon developing their provision of PE and sport, although how they do decide to address this task remains their decision. Sheepscombe Primary School has committed itself to following the statutory guidance as provided by DfE and Ofsted. Evidence of our school's pledge to enhancing staff professional development can be determined through the PE CPD training programme which benefits all members of the teaching staff.

## **Accountability**

From September 2013, responsibility for the effective spend and impact of the grant aid rests with every state primary sector teaching establishment. Ofsted has publicised their intention to increase the coverage of inspection related to PE and sport.

Ofsted has also confirmed that it will carry out a percentage of subject visit inspections per year as a means of analysing the success of the national strategy.

The Department of Education routinely publishes statutory compliance targets for all schools. Such an example of this practice includes the requirement that schools must publish online evidence of how they have spent their Primary PE and Sports Premium funding as well as identifying the positive impact of the funding. This Government order is intended to enable the wider school community to monitor progress and compare achievements and results with other local schools.

PE Subject leader for Sheepscombe School - Vicky Barron, Headteacher

**An overview of how we have spent our Sport Premium Funding for 2017-2018 can be seen below**

Amount of PE Sports Grant Academic Year 2017-2018 - £18985

### **How we spent this funding**

#### **Specialist Provision**

Specialist PE teachers/Games Coaching (Atlas) - Multi Skills, Football, Hockey, Gymnastics, Tag Rugby including Atlas Sports After School club and CPD for teachers and Sports affiliation for competitions (SDPSSA) **£4819**

Prince William Award **£5850**

Mountain Biking - provided to Y5 and Y6 by qualified specialist Mountain bike leader **£150**

P.E. Leader Release Time to attend competitions - cost to school (HT completed as part of her role) **£ 0**

**Equipment purchases 2017-18** **£2390**

Purchases made: Balance bikes, gym mats, wheeled trikes, sports bibs, tennis balls, footballs, obstacle and agility kit, basketball trainer, basketball net and ring, football goal

#### **Additional Resources to Support P.E.**

Forest School Leader Training **£850**

**Total Spent: £14059**

**Carry forward: £4926**

## Timeline of Funding 2017\_18

### Autumn term 2017

- We employed an expert PE teacher from Atlas to deliver 2 sessions of per week of PE, to the children. This includes CPD for staff members.
- We introduced the Prince William Award for the whole school (physical activity, team work, resilience and co operation)
- Put in place a Yoga club which ran weekly all year
- Introduced mountain biking for Years 5 and 6
- We introduced Active 8 sessions at the end of break times led by TA's
- We offered an after school sports club
- We took out an annual subscription to Stroud and District Primary school sports association and entered their competitions
- One member of staff started their Forest School leaders training
- We took place in Sports Hall Athletics which all of our KS1 children attended, and we won the event

### Spring term 2018

- We continued with the provision that had been put in place in the Autumn term plus:
- We took part in tag rugby event for cluster schools
- We bought gym mats
- We bought wheely trikes for Little Lambs
- We bought a full set of balance bikes for our Nursery, Year R and Year 1 children and selected a balance bike leader (one of our HLTAs)
- We purchased equipment for playtimes to enable children to be more active
- We bought general equipment eg bibs, tennis balls, footballs, a playground agility pack
- We bought a basketball net for playtimes

### Summer term 2018

We continued with the provision that had been put in place in the Autumn and Spring term.  
In addition:

- Our after school sports club had an athletics focus
- We took part in a newly formed cluster group cross country competition
- We took part in All Stars Cricket coaching for years 1,2 and 3 bringing in County coaches to lead and support staff development
- We took all of Key Stage 2 to watch the County Cricket Championships and take part in their activities for schools during this day
- We joined a local cluster schools sports morning run by Psalms called 'Pulse Games'
- We introduced a lunchtime sports club run by Psalms which has a faith based discussion element at the end
- We took part in a swimming gala run by Stroud District Sports Association
- We made links with 417 bike centre to develop sports provision for next academic year
- We made links with Bentham sports facility to develop sports provision for next year
- We provided swimming for Year 6 children who had not yet made the expected standard

### **Impact of Sports Premium funding 2017-18**

Based on our provision over the year:

- Children are engaged in PE supporting a healthy lifestyle and positive attitudes to sport, As a result many children now take part in sports outside of school as well as in the school day  
Eg football, rugby, ballet, trampolining, gymnastics, parcour, horse riding, BMX biking, mountain biking, dancing, judo
- Our sports provision takes advantage of the local environment as well as using village and school amenities eg through cricket, forest school, biking, walking. We have plans to expand this further next year eg orienteering, running
- By purchasing new playground equipment we have significantly increased the number of opportunities for activity at playtime.
- We have restructured lunchtime play so that for the first 20 minutes class 2 play independently without class 1 present, enabling faster games and a greater space/opportunity for football
- We have increased opportunities for our youngest children by providing balance bikes and taught sessions following a balance bike programme- this is good for core stability, control and co ordination and this also has aided classroom focus and gross and fine motor skills and will continue next year
- We have been able to deliver the gymnastics element of the curriculum more thoroughly as we have better quality gym mats

### **Data relating to meeting national curriculum requirements for swimming and water safety 2017-2018**

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? 100%

What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke?) 100%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? 100%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements.

Have you used it in this way? No

**Amount of P.E. Funding Expected Academic Year 2018-2019 - £16418 + £4926 carry forward**

### **Next steps for Sport at Sheepscombe in 2018-19:**

- Set up PE provision off site at Bentham for Terms 1-4 for the whole school and widen the types of sports played
- Ensure all staff are further skilled to teach sport
- Increase even further the opportunities for competitive sport across the range including those that are reluctant competitors or SEND

- Elect a sports captain for the school to promote sport and encourage participation
- Create a display to show others how sporting achievements help them learn in other areas
- Create a 'Big Book' to showcase Sheepscombe School's sports journey and achievements
- Create a sports 'brand' for Sheepscombe to raise the profile by introducing sports kits for competition and hoodies for staff and children
- Set up a running club for Terms 5 and 6
- Continue with Mountain Biking (Terms 4,5 and 6)
- Introduce new sports such as handball, archery, orienteering
- Have a Governor Champion in place for Sport who will oversee sport with the HT and work to ensure school sport priorities are met through the school's Moving on Plan
- Carry out audit of swimming across the school as many of our children can swim competently - target additional swimming lessons to particularly those that need to reach the required standard if they need tuition over and above that provided via the National Curriculum requirements and our current school provision linked that.
