

Sheepscombe School Curriculum - Whole School Theme titles and whole school trips linked to theme

Annual events from 2017 onwards also include – Cheltenham Literature Festival, Cheltenham Science Festival, Stroud Choirs event, Reading Teachers; Reading pupils project, participation in the Stroud Mock trials, Faith based visitors or trips to places of worship, Cheltenham Music Festival, Cheltenham Cricket Festival, Annual Library visit for each class and the Stroud Goodwill Evening for which we design and make lanterns. Each year we also incubate, hatch and raise either ducklings or chicks, observe 1st hand the journey of caterpillar to a butterfly and have visits from a young baby as part of science work. We endeavour, where possible to give real life, hands on, active experiences.

We also organise Community Events each year
