

BACKGROUND

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.

Funding has been allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

PRINCIPLES FOR THE ALLOCATION OF FUNDING

To ensure that our PE & Sport Premium is spent in the most effective ways the following principles have been agreed.

- Provide high quality PE teaching delivered by a Sports Coach.
- Extend our range of school sports clubs.
- Take part in sports activities with other schools.
- Monitoring and evaluation to demonstrate the impact of spending on the outcomes for pupils.

PE & SPORT PREMIUM FUNDING FOR THE CURRENT ACADEMIC YEAR- 2016- 2017

Schools receive PE and Sport Premium Funding based on the number of pupils in Years 1 to 6.

The funding received for 2016-17 is £8166

HOW WE INTEND TO SPEND OUR 2016-17 ALLOCATION

- Following the significant impact a professional Sports Coach had over the last academic year on improving PE & Sports provision, and in raising pupil participation in sporting activities, this arrangement will be continued for this academic year.
- Our school PE champion will ensure that we enter local inter school competitions and will work with our cluster of schools to promote this. Funding will be available to provide transport to events where necessary.
- Equipment required for the enhancement of sports teaching and to promote physical development will be purchased.

DETAILS OF HOW WE SPENT OUR 2015-16 PE & SPORT PREMIUM FUNDING

The funding we received for 2015-16 was £7975

- Further improved the quality of PE & Sports provision including raising standards in PE across the school and increasing participation of pupils in sporting activities beyond the school day by employing professional coaches to coach the children in Tag Rugby, football, netball, hockey, tennis, handball, athletics, cricket and gymnastics during their weekly curriculum PE and Games lessons.
- Subsidising after school multi sports club for all pupils.

IMPACT OF SPENDING ON PE & SPORT PARTICIPATION AND ATTAINMENT

- The school has made good use of the money provided to support physical education. They have invested in specialist coaching, with staff working alongside a specialist to build up their skills in a number of activities. In this way, they are effectively spreading good practice and building capacity for the future.
- All pupils at Sheepscombe have had the opportunity to have swimming lessons, take part in a variety of sports and work with children from other schools in our cluster. Pupils are enthusiastic about PE and understand about healthy lifestyles.

PUPIL PARTICIPATION IN SPORTING ACTIVITIES BEYOND THE SCHOOL DAY

Participation in sporting clubs after out of school hours is encouraged and valued with children taking part in multi skills, cricket and football. Many have gone on to join local clubs. We aim to increase the range of after school clubs on offer at the school and have linked with Cranham, who have a school field, to do this.
