Head teacher: Mrs Vicky Barron BSc Hons GTP Primary

Friday 2nd October 2020

Dear Parents and Carers,

Urgent and important message

It has come to our attention, from members of the community, that the village hall car park and play area is being used after school in such a way as breaks the current laws around groups of people meeting.

On Tuesday (and noted on other days too) numbers totalling well over 15 people have been playing together in the play area for an extended period after school. This is unfortunately not acceptable at the current time and is breaking the laws set up to reduce the risk of Covid-19 transmission.

Not only is this a risk to health, it also brings the school into disrepute, something we are keen to avoid as we consider that we have good relations with our village community.

In addition to large numbers of children and parents using the village hall area after school as a playground, it has also been noted that not all children are being adequately supervised and some have not been behaving as we might expect. They have been allowed to climb over and on the table tennis table, and around the calor gas tanks, risking damage to property and themselves.

This letter is therefore to respectfully remind you that after school you should not congregate in groups over 6 people, unless you are in the same family group and have a family larger than 6.

We appreciate that you may wish to have playdates after school, but please do this in your own homes, or where large numbers of you are not congregating.

Your assistance in this matter is greatly appreciated.

Kind regards,

Vicky Barron

Head teacher
